TECHIE KIDS CLUB

Coding Enrichment Program at Your School

Dear Parent,

Our school is offering weekly Techie Kids Club enrichment classes that teach students coding and robotics! This mobile program will visit your school once a week and is offered to children 3 ½ to 8 years old.

- Builds self confidence and teaches children to collaborate, problem solve, create, design and bring their ideas to life
- Learn coding, robotics, gamification and digital storytelling
- Go to techiekidsclub.com to find info on current sessions
- Year-round sessions, join anytime
- Students receive a Techie Kids Club T-shirt and award certificates

$65
Per Month
