Black History Recap

February – full of discussions about Black History and Culture! BPA embraced a school-wide initiative to honor African American contributions to Science, Literature, and Art. Artworks by Jacob Lawrence, Faith Ringgold, Jean Michel-Bishop, and Kehinde Wiley provided the imagery to strike up a school-wide conversation about the awesome changes our country has seen over the last 100 years. Walking through the halls one can see the excitement students had for the learning that took place over the last 4 weeks.

February was Kindness Month
March is SELF-CONTROL

Spotlight on Sports

Cheer Practices are Tuesday and Thursdays. Cheer performances are game days for football games. Flag football practice is random based on the week. Cheer has cheer competitions while each flag football team is trying to get to the playoffs. Games are played at home and away. All in all, we have 7 teams of football and cheerleading from Elementary to Middle School.

THANK YOU COACH LEONE!!
